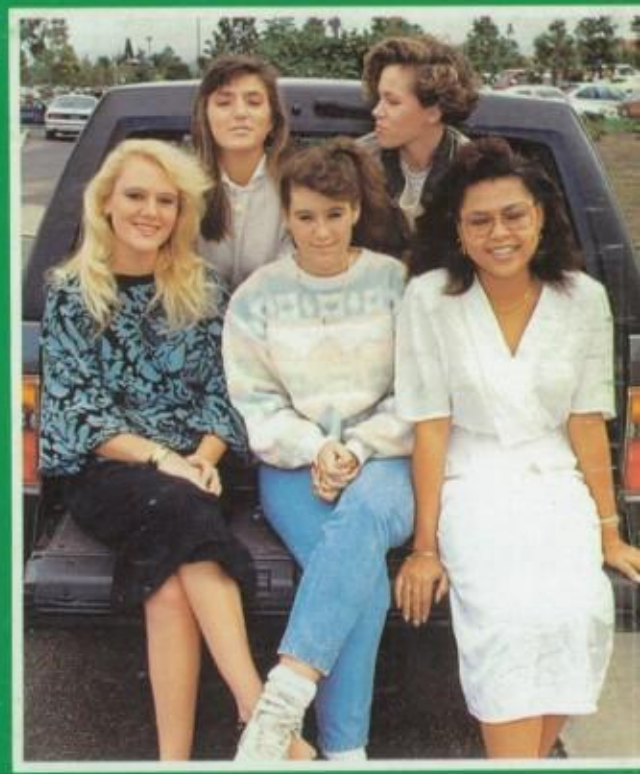
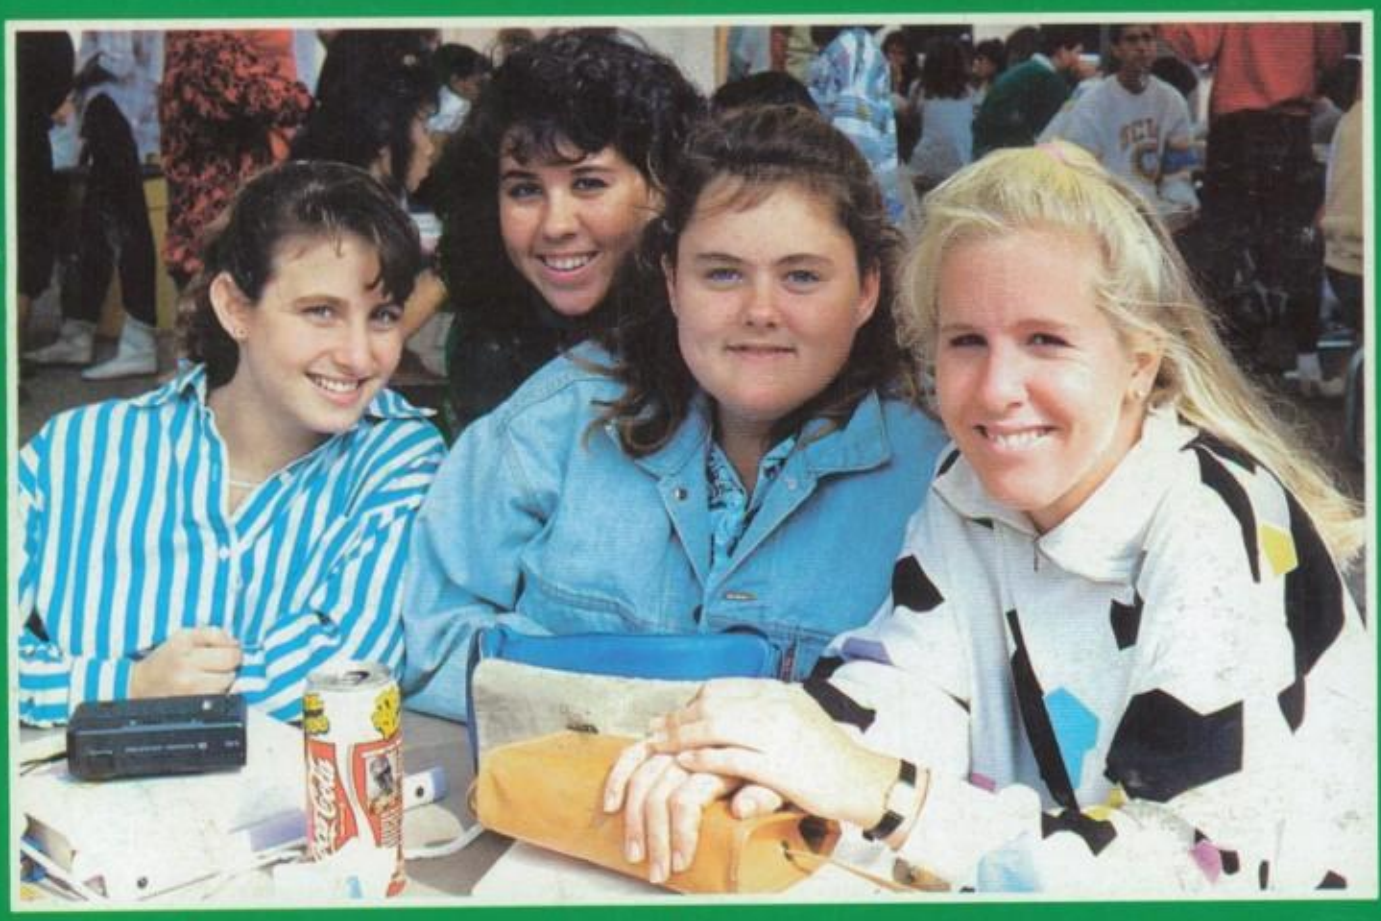
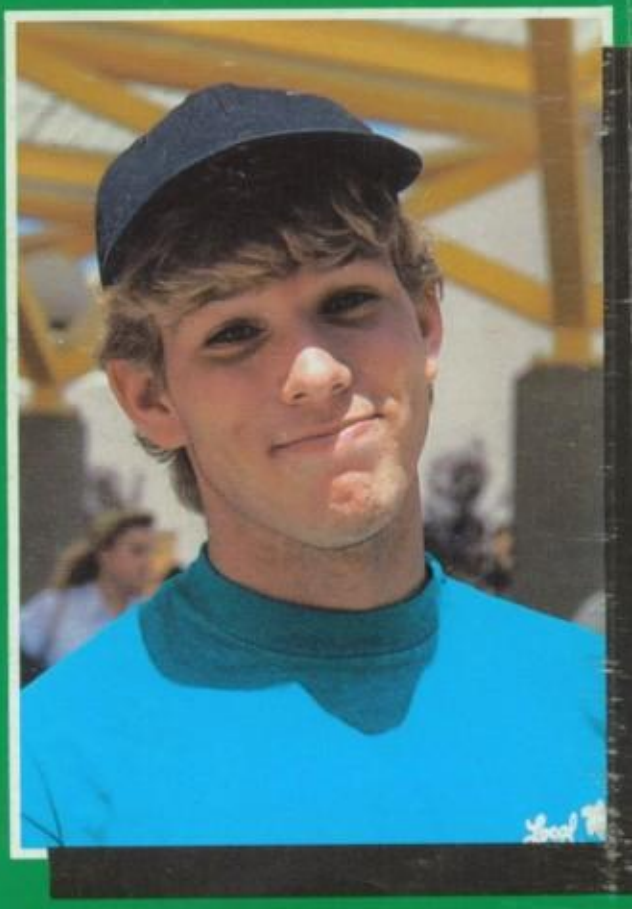
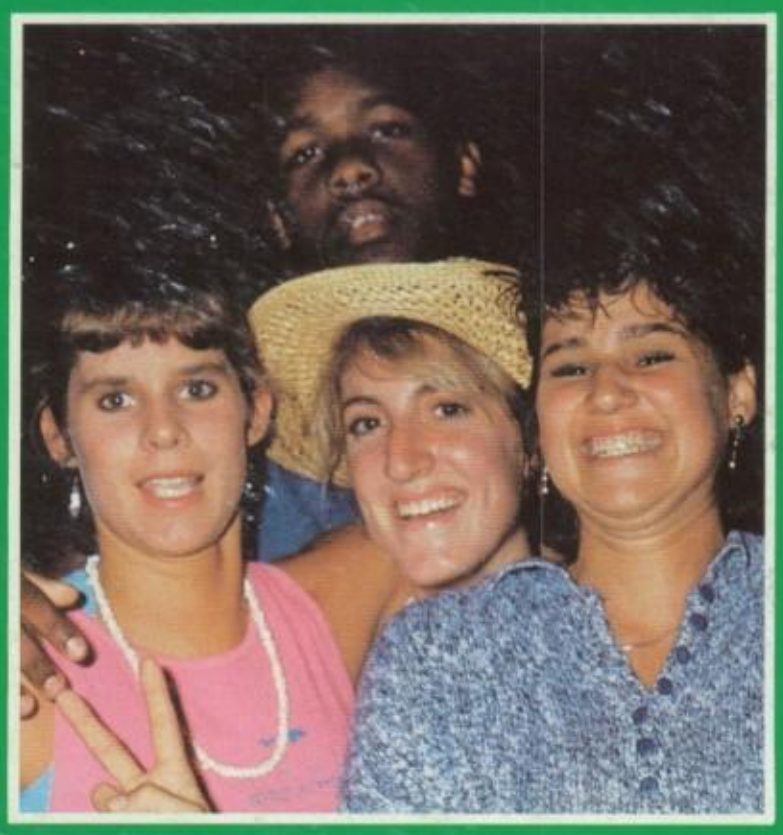
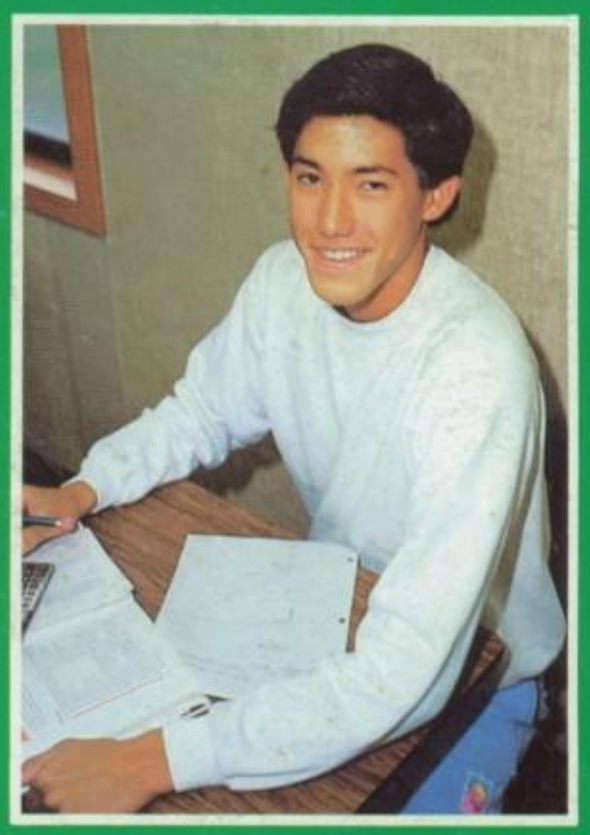
The 1987-88 school year at WHS will be remembered as the year our school received a new look. During registration the students suspected a change; on the first day of school, we all saw the change. For the first few months of school there were still workers putting the finishing touches on buildings that were expected to be in use at the beginning of the year. Despite all this disorder, everyone managed to make this year one of the best ever.





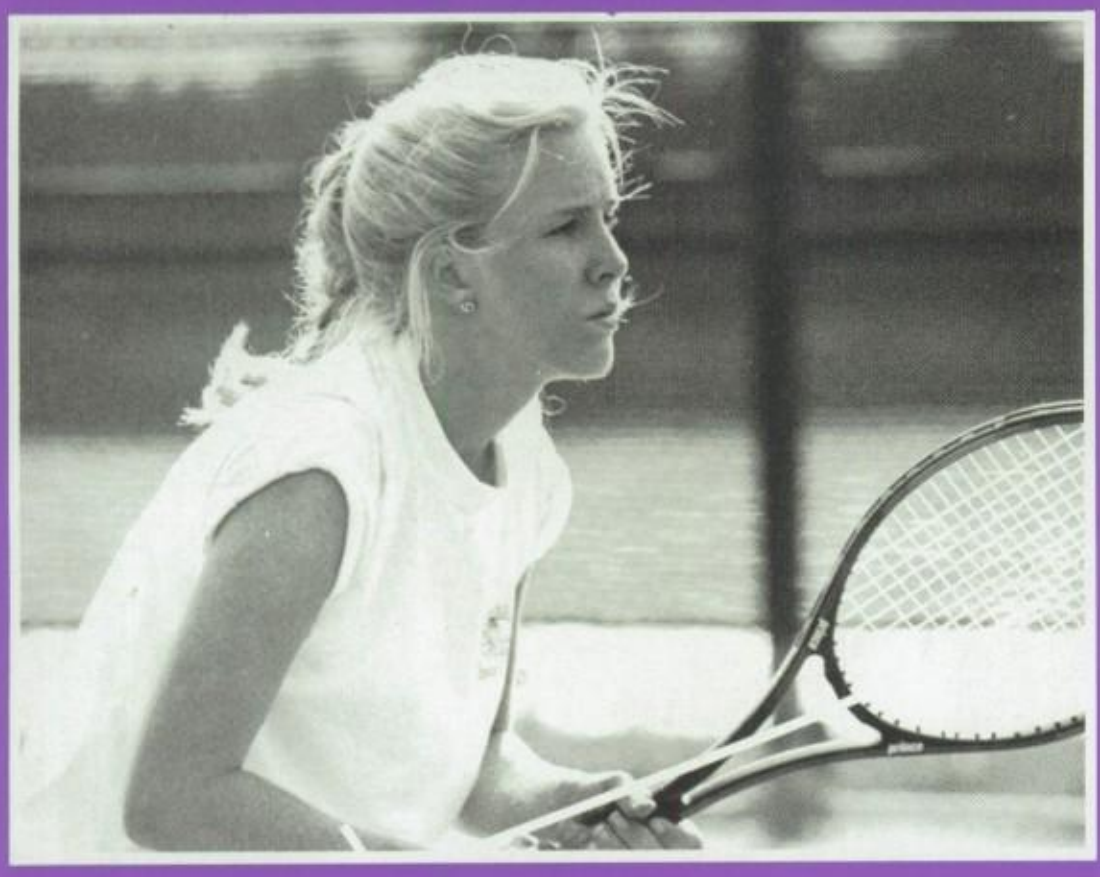






Change is the law of life and those who look only to the past or the present are certain to miss the future.

John F. Kennedy

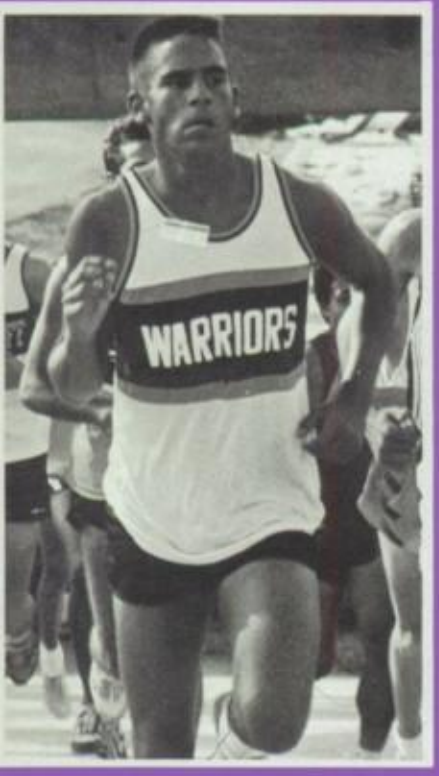


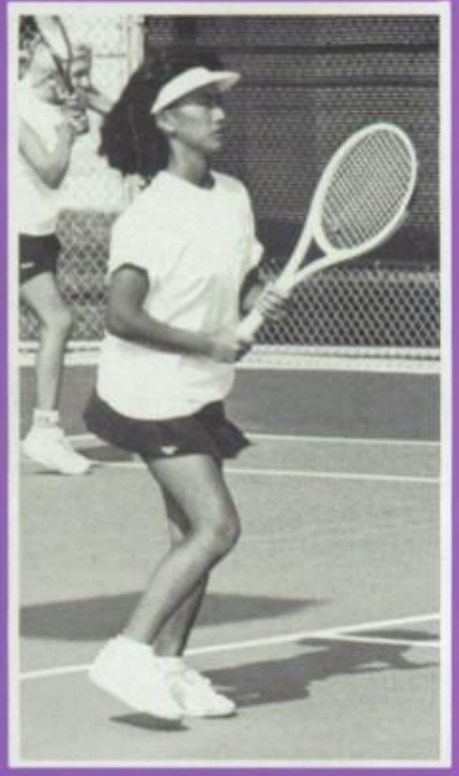
Sports

The 1987-88 school year has proved to be an outstanding one in the field of athletics. All the warrior fall sports competed outstandingly in league competition and went on to participate in C.I.F. post season competition.

Life is either a daring adventure of nothing. To keep our faces toward change and behave like free spirits in the presence of fate is strength undefeatable.

Helen Keller





The warrior spirit squads have strutted their pride throughout the 1987-88 school year. The warrior cheer, song, sophomore song, and mascot have spent the year encouraging the football and basketball teams in addition to competing on their own. The WHS Entertainment Corps produced fantastic halftime shows and went on to compete successfully in field show competition.

Spirit

Be a football to time and chance, the more kicks, the better, so that you inspect the whole game and know its utmost law

WOODBRIDGE HIGH SCHOOL WOULD LIKE TO DEDICATE THE 1987-88 YEARBOOK TO OUR ASSISTANT PRINCIPAL MRS. BELTZ WITH ALL OUR HEART & SOUL

Mrs. Beltz giving us her goo goo eyes at seven months old.

Mrs. Beltz thinks about her future plans.

At age 4, Mrs. Beltz poses with her precious doll.

Growing up to become a beautiful lady as we see he today.

Charms strike the sight but merit wins the soul.
— Alexander Pope.

There is no success without hardship.
— Sophocles

In Junior high, one of her favorite past-times was being a pom-pom girl.

At La Canada High School, she was also a pom-pom girl.

Mrs. Beltz loved to spend time at the beach which made her a true California blonde.

"All succeeds with people who are sweet and cheerful."

— Voltaire

As we see Mrs. Beltz today . . . busy busy busy.

If one took the time to follow Mrs. Beltz on a typical school day he/she would notice how busy the assistant principal is. Highly admired and respected, she dedicates much time and energy into her work.

Arriving in Glendale, California in 1948 as Janice Weyrauch, her parents were blessed with a little bundle of love. Little did Mr. and Mrs. Weyrauch know at the time that their little Janice was to become the assistant principal at one of California's most distinguished high schools.

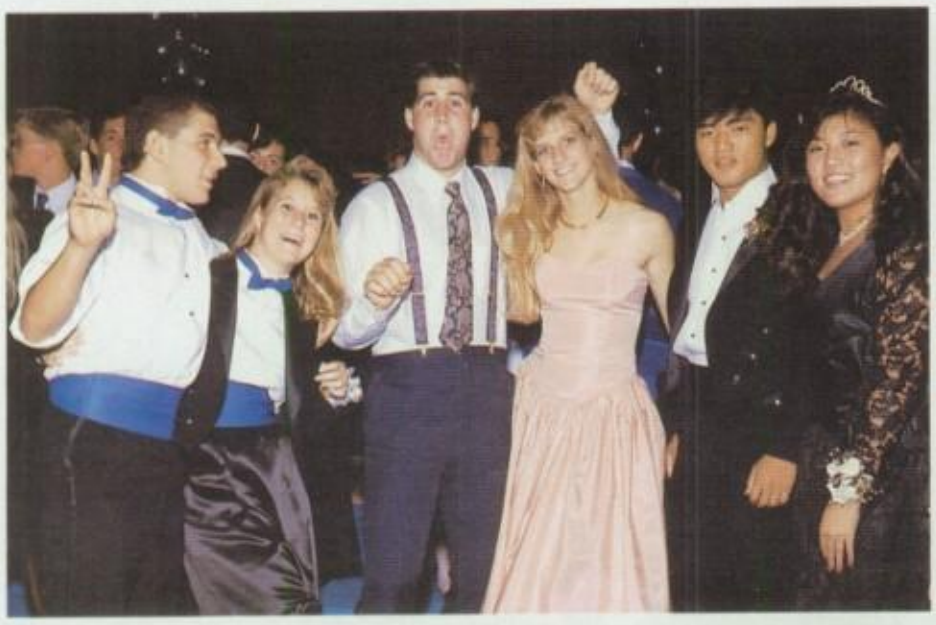
Education has always been an important part of Mrs. Beltz's life. In high school she became very involved in school activities such as cheerleading and yearbook (she was the editor).

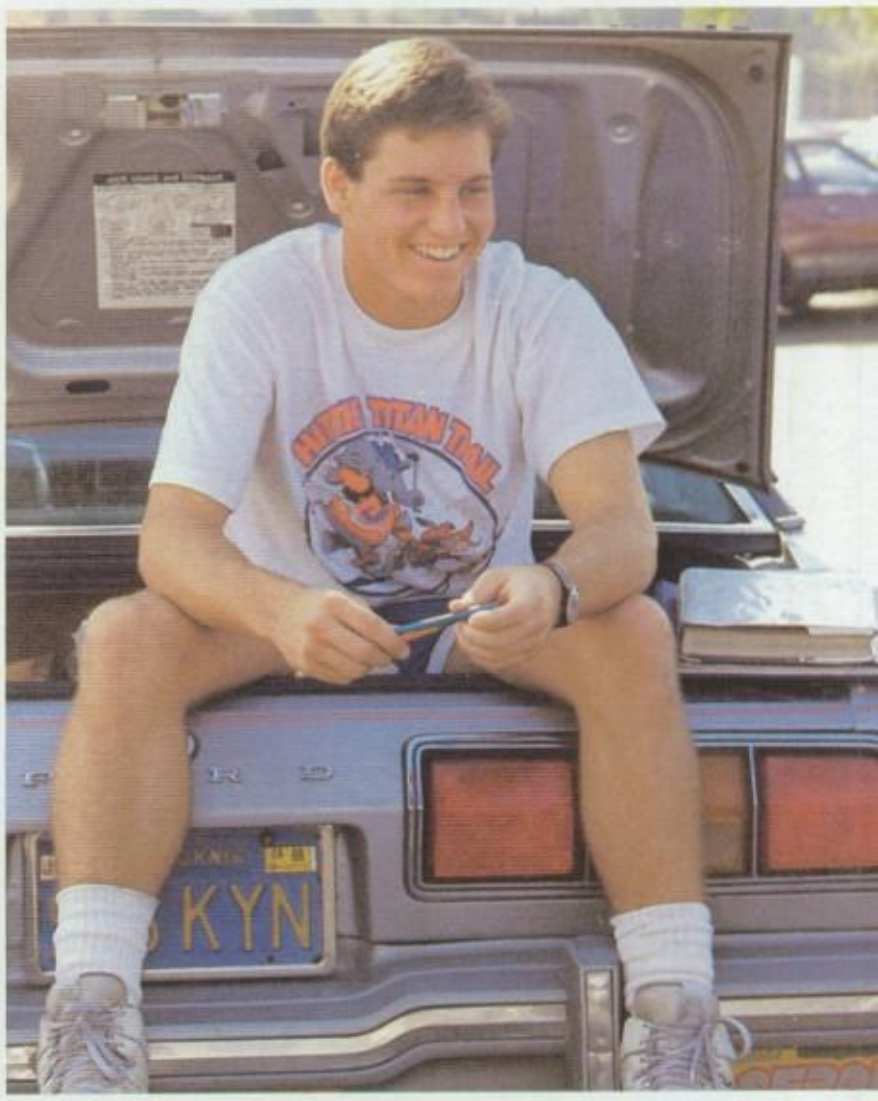
Adv. studies was not only one of Mrs. Beltz's interests. She enjoyed dating but was very choosy. She met her husband Mr. Russ Beltz during her senior year in high school and has been head over heels ever since.

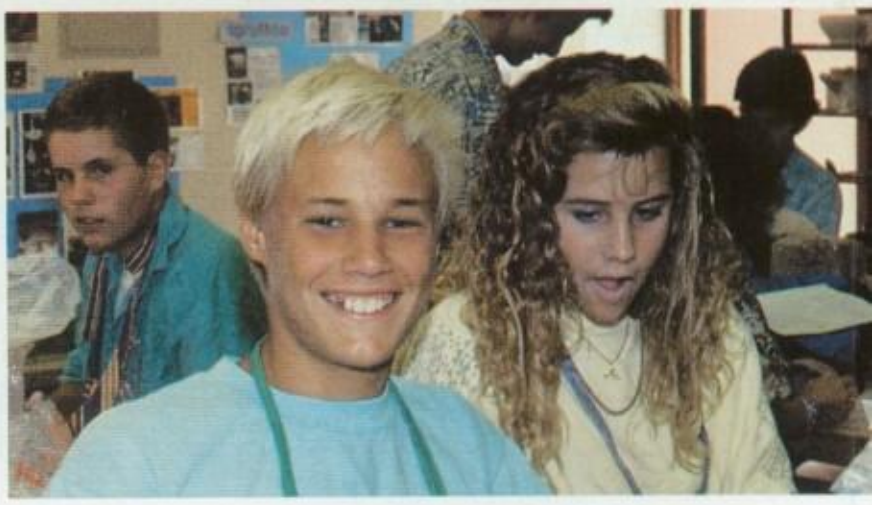
Russ is not the only love in her love. She is very close to her family including her brother John who is a teacher at Corona Del Mar High School.

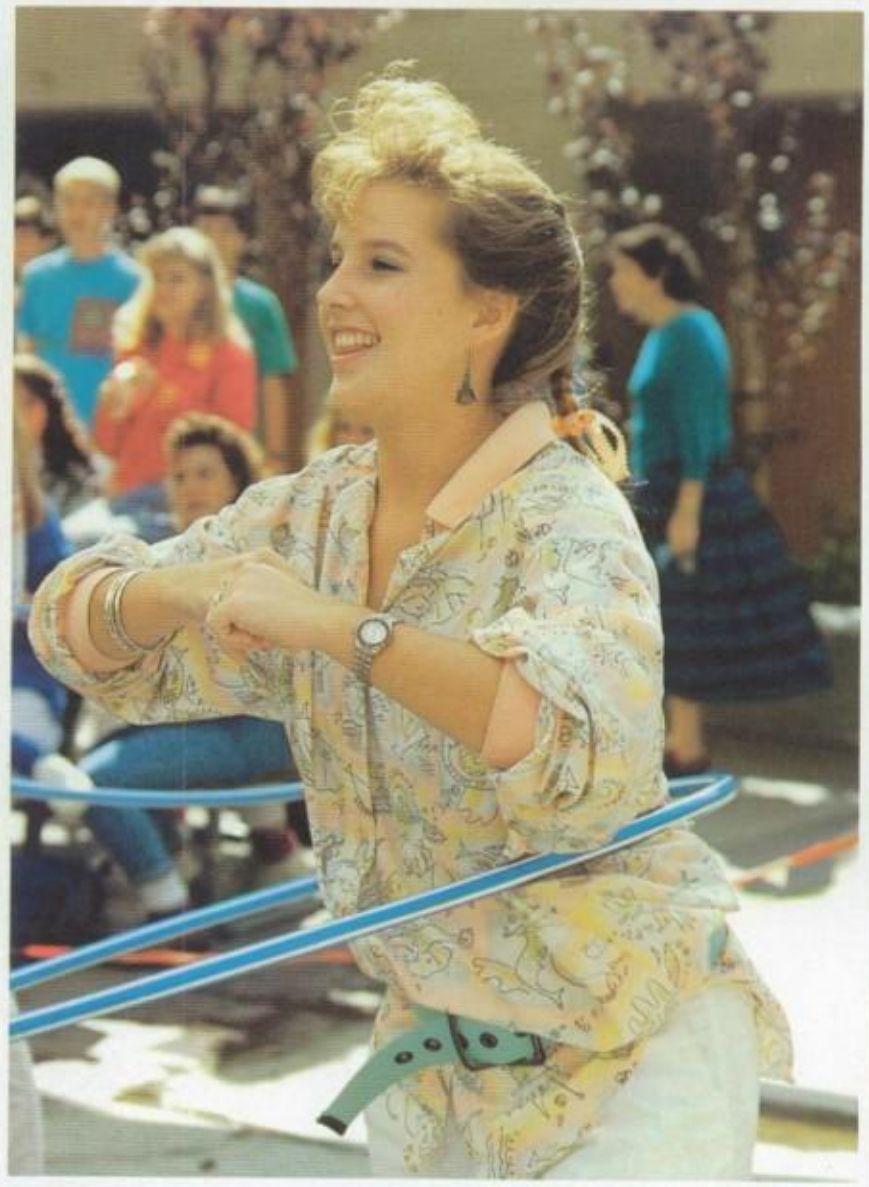
When Mrs. Beltz was young, her aspired dream was to become a teacher. She pursued her education at UCLA and received a degree in mathematics. She landed her first teaching career at University High School as a mathematics teacher. She then came to Woodbridge when it opened.

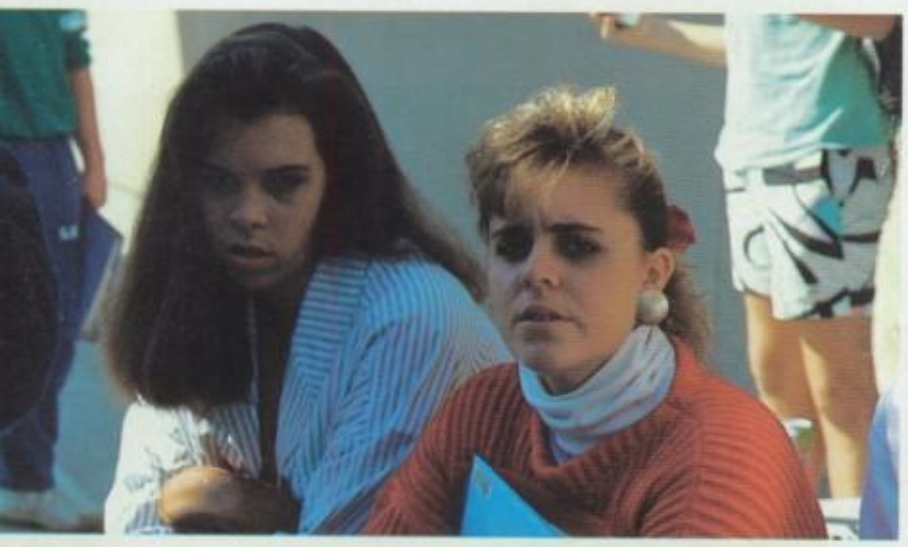
Mrs. Beltz loves to spend time with her doggie, Ragtime. Among her many achievements, she is an accomplished pianist. She has put all of her heart and soul into her career which is undoubtedly appreciated.

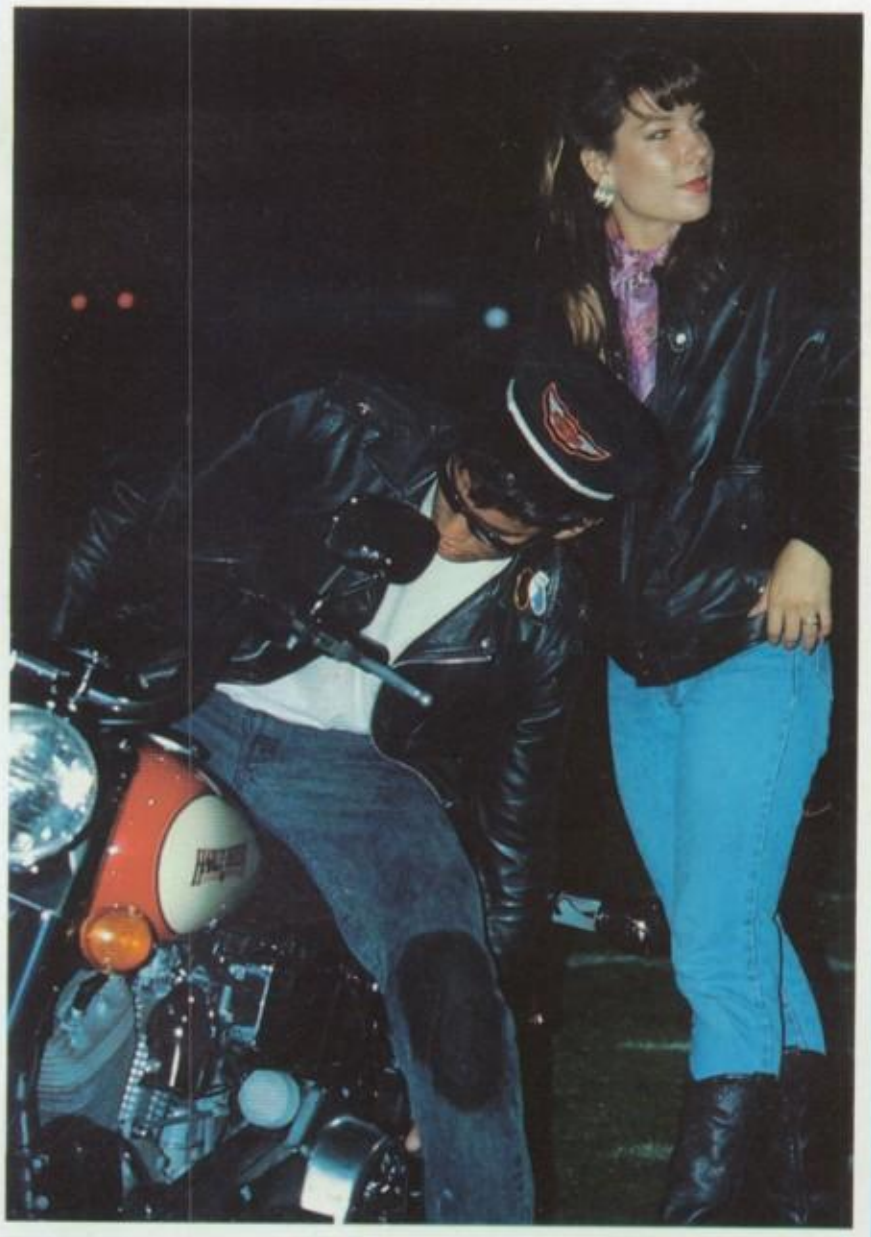


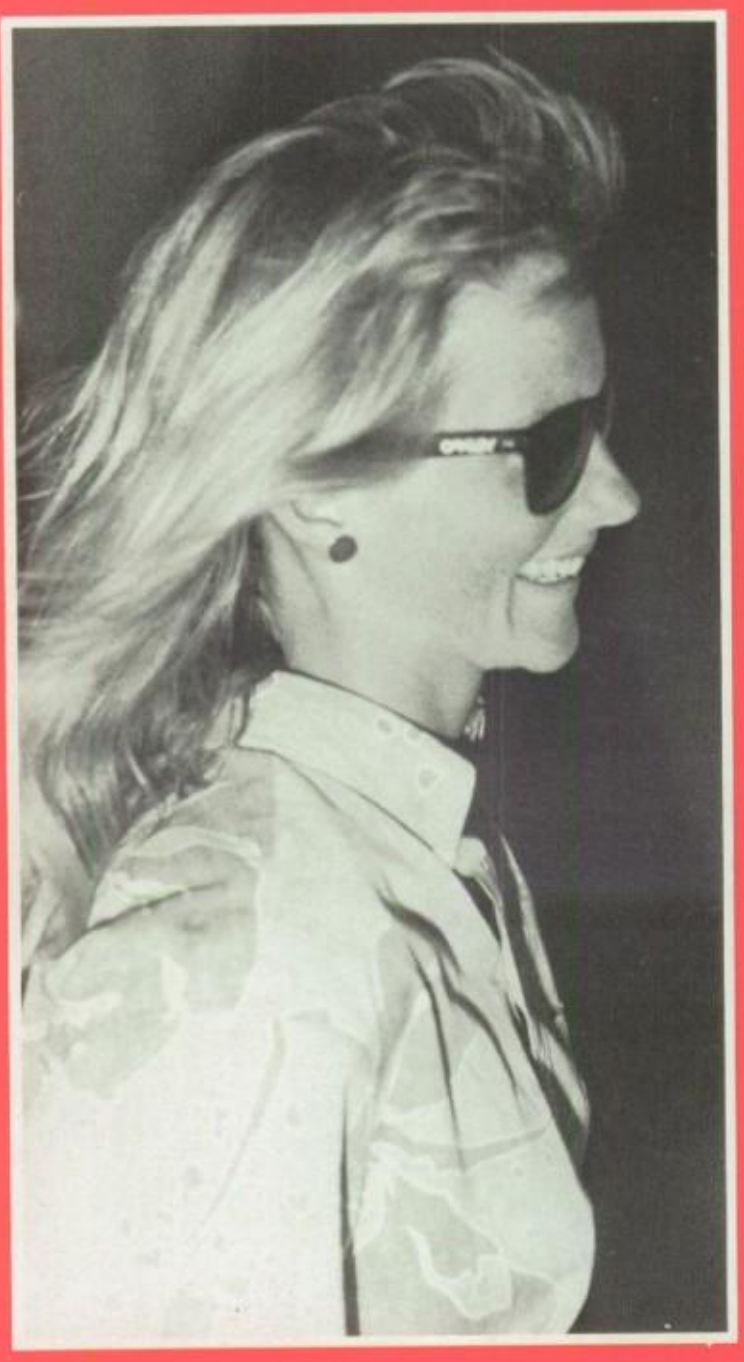


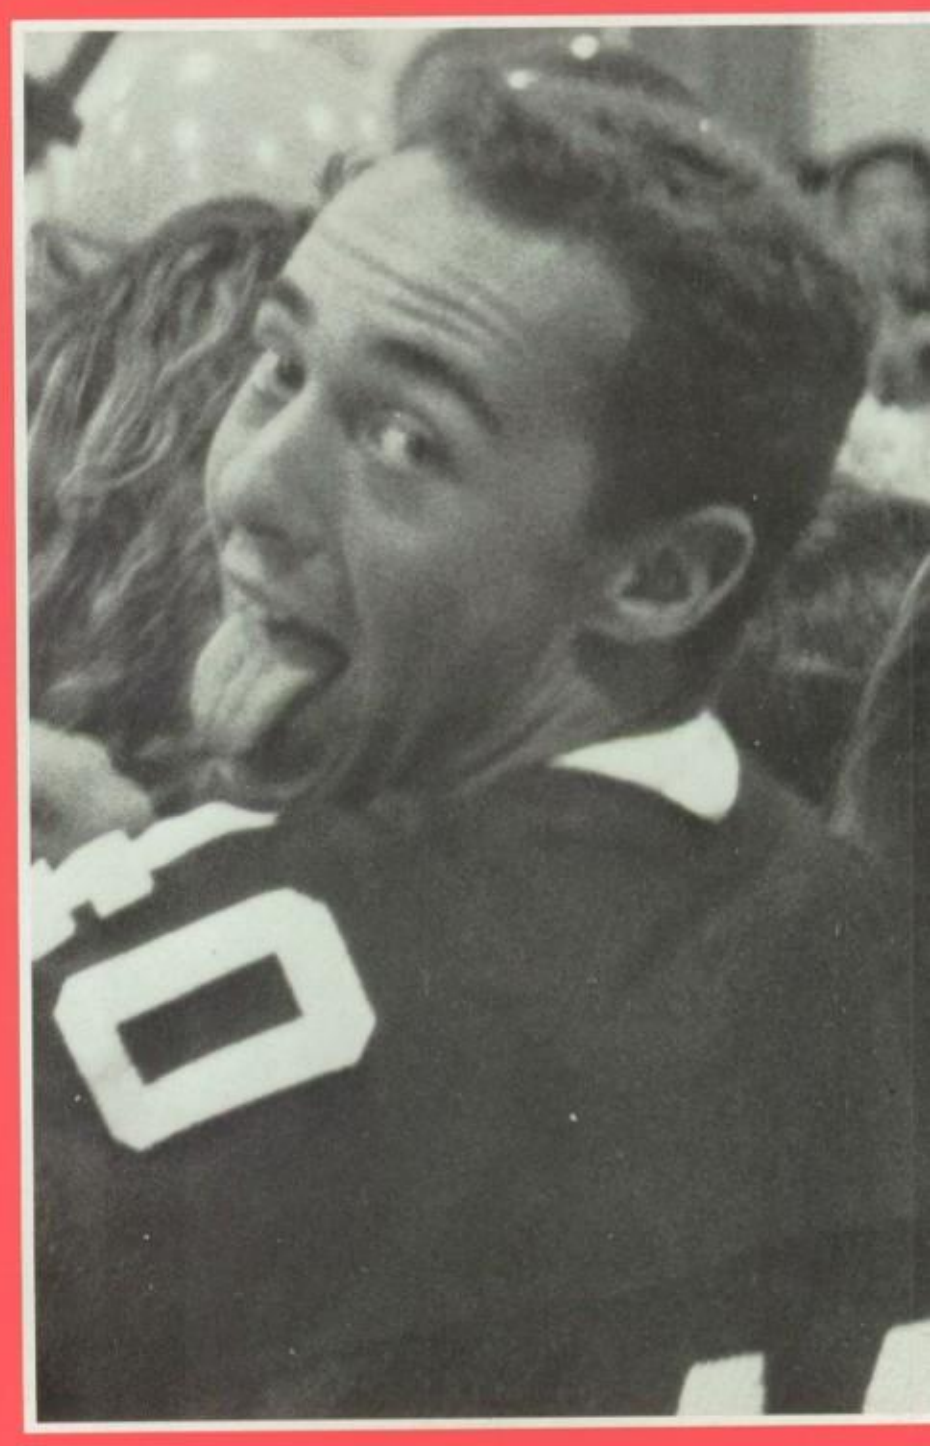


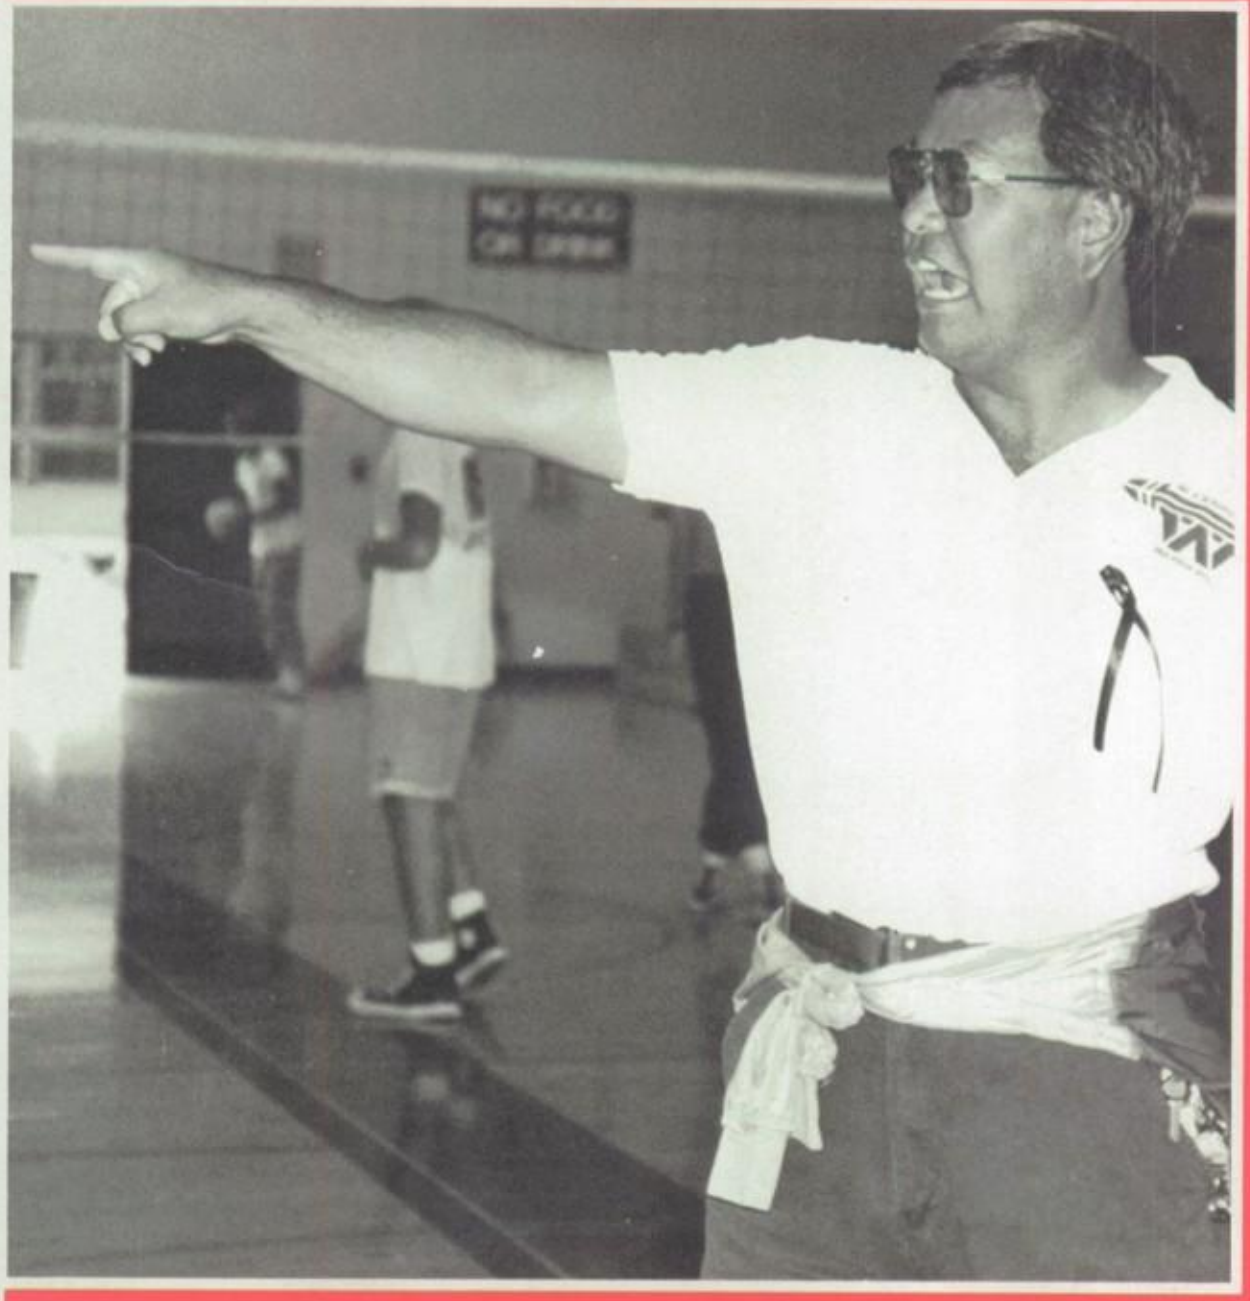












The new and terrible dangers which man has created can only be controlled by man.

John F. Kennedy

Together: adv. in a body; as a group

Together we have worked, played, complained, and rejoiced. Together we have left a lasting impression on Woodbridge High as a respectable and exciting class. Together we have over come many obstacles, but rebounding better than ever could be expected. Together we have become individuals with ideas, dreams, and fears. Together we have learned the meaning of hard work, and together we strove to be the best. Together we spent four of the best years of our life. Together we enter into the unknown with anticipation and insecurity. Together we graduate.

Good luck seniors, reach for the stars and grab a handful.

AILEEN DEAR

Aileen Dear, born in Newark, New Jersey, was brought up in Union Township, New Jersey. She attended Union High School in her home town. After finishing high school, she moved to Philadelphia, Pennsylvania, where she attended Temply University. Her four years at Temply were memorable ones, she was a member of the Phi Sigma Sigma Sorority. After completing college, she began her teaching in Union, New Jersey. She then decided on a change of scenery, California. In Long Beach, California, she taught for four years, then she landed another teaching career in Irvine and has taught here for six years.

One of Aileen's favorite childhood memory is her first trip to New York City.

During her spare time, she enjoys playing golf, travels, and snorkles.

DAVE COWEN

David Lynn Cowen was born in Inglewood, CA and raised in Garden Grove with his one brother. His most embarrassing moment occurred here at WHS when he was a contestant in the Miss Gymnasium Contest. Mr. Cowen and his wife have raised one daughter, Heather, who is now 9. His favorite book, Fatherhood, by Bill Cosby has enabled him to overcome the most trying moments in raising his daughter. Mr. Cowen's most admired figure is his father, who instilled good values in raising him. Mr. Cowen recalls growing up and having a good time playing in orange groves and with horses. His long time desire to become a teacher and success in high school athletics has enabled Mr. Cowen to become Athletic Director here at WHS as well as teaching WRS.

"Hey dudes! Bitchen game, eh?"

Our Class council was so committed and all our work was done. Overall our year was rad and we definitely had a blast. But it hurts me to think and say that it just went by too fast. Our Council is original one that can't be outdone 'Cause no matter how our year was spent nothing outweighs our fun. Thank you class so very much you are the very best. 'Cause you and I are one together and better than all the rest.

MUSICAL THEATRE presents Guys & Dolls

WHS Musical Theater presents: "Guys & Dolls."
"Guys & Dolls" is a musical comedy based on Damon Runyon's fable of the early '50's. The basic story is that Nathan Detroit (Adrian Raskulinecz) runs a floating crap game in New York and needs money to keep it going. Nathan decides to bet Sky Masterson (Bryan Cline), the highest bidder of them all. Nathan bets Sky that he can not take a certain doll away with him to Havana. Sarah Brown (Kate Shepard), the sergeant of Save-A-Soul Mission is the object of the bet Nathan's fiancee of 14 years, Miss Adelaide (Debbie Tillotson), tries without success to stop the game. In the end, Miss Adelaide finally gets Nathan to the altar and they join Sky and Sarah for the ceremony.

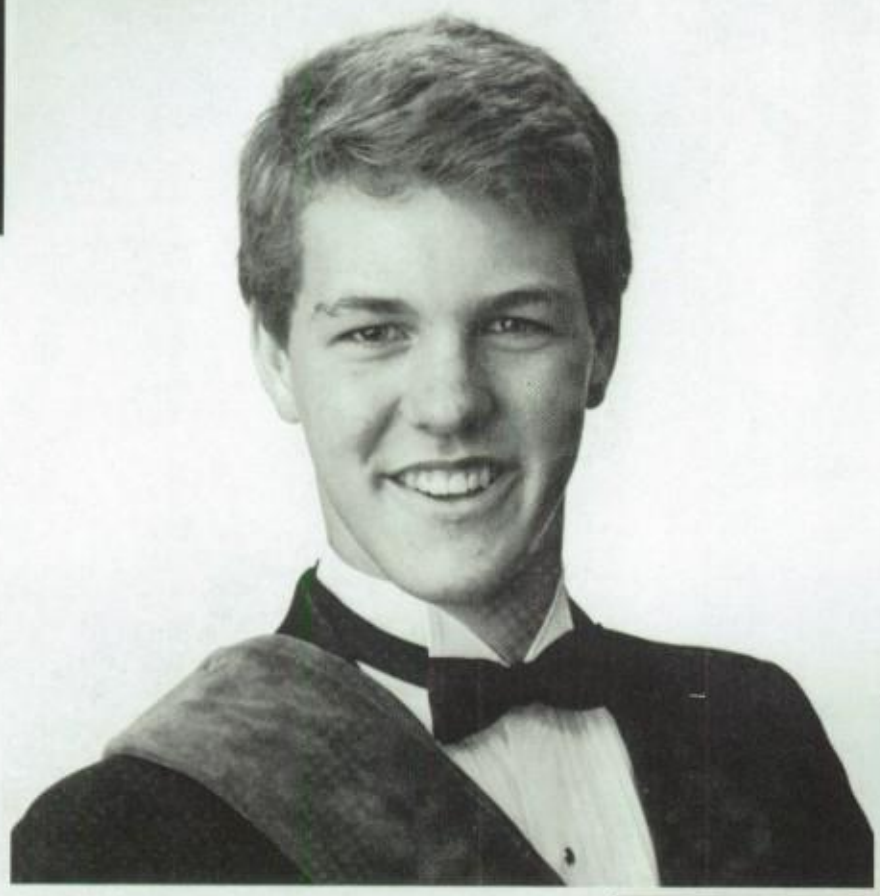
NEVER SAY GOODBYE



KING MARTIN BAUER

CHAD MACAULAY

This year's Junior/Senior Prom was held on May 28, 1988 at the beautiful Irvine Marriott. The extravagant event was put on by the Junior and Senior class councils. Many couples began their evening with a special dinner and traveled to the dance in I uxury limousines. The 1988 Prom court all looked especially radiant along with every couple that attended. The theme "Never Say Goodbye" really fit the occasion and the colors of blue, metallic gold and white helped brighten the event lasting all night.

A STEP ABOVE THE REST We started our planning on June twenty-fifth, Had a meeting at Fluor our partners forthwith. Decided that a dance at the start would be neat, Named it the 'Howdy Dance' as our opening feat. But howdy didn't take as we thought it would, So back to the drawing board, as an ASB should. And that's how we got the 'Tourist Attraction,' When homcoming came we were ready on the line With our placards, court, and theme of 'Time After Time.' At Pep rallies we found councils busy as bees, They discovered color and spirit to be the keys. On to recruiting for the Blood Drives, Where we found instead we were saving our own lives Red Ribbon week and the Canned castle contest, And our annual Oktober, Holiday, and Fine Art Fest Spring spirit week boosted our Warrior pride It is something we found that no one could hide. And thus we bequeath to '89 all of the foresaid With the warining — DO NOT LET IT GO TO YOUR HEAD Congrtas to everyone for a fine year And hope your success continues whether far or near.

AFS

AFS AFS IS A CLUB ON CAMPUS DESIGNED TO PROVIDE STUDENTS WITH THE POSSIBILITY TO LIVE AND ATTEND HIGH SCHOOL IN A FOREIGN COUNTRY. STUDENTS CAN CHOOSE WHETHER TO LIVE IN THE COUNTRY FOR A YEAR, OR EIGHT WEEKS OVER THE SUMMER. THIS YEAR, WHS HAS HAD TWO EXCHANGE STUDENTS: CRISTINA FABRE FROM SPAIN AND PAOLA NERI FROM ITALY. CRISTINA FABRE IT HAS BEEN A GREAT YEAR. I LEARNED A LOT. IN THE BEGINNING, I FELT A LITTLE BIT STRANGE, BECAUSE OF THE CULTURAL DIFFERENCES BETWEEN OUR HIGH SCHOOLS, CITIES, AND THE WAY OF LIVING. HOWEVER, I ADAPTED AND CAME TO ENJOY THESE DIFFERENCES. I ESPECIALLY ENJOY THE HOSPITALITY AND LOVE OF MY FAMILY AND THE OPPORTUNITY TO LEARN ABOUT YOUR GREAT COUNTRY, CITY AND SCHOOL.

PAOLA NERI THIS YEAR HAS BEEN A GREAT CHALLENGE FOR ME. I HAVE LEARNED TO LOVE AND TO LIVE WITH DIFFERNT PEOPLE AND TO ADAPT TO A DIFFERENT CULTURE. I WANT TO THANK WHS, IT'S A GREAT SCHOOL. CIAO!

Well, we've made it through! I knew that this was going to be a great year when we filled the gym with spirit and enthusiasm taking nothing but a 1st or 2nd in a pep rally! The JV football team under Coach Halagan enjoyed their first winning season as a class. The squad finished the season with a 5-4-1 record but more impressively finished second in league with a record of 4-1. The offensive attack centered around the skills of Scott Seymour at tailback and a fine offensive line which was under the tutelage of Tim Codde. Gary Fishel supplied leadership and stability at the quarterback position. A big part of the JV's success this season can be attributed to the defense which was anchored by standout players Steve Masters, Gary Gibson, Erik Lekas, Steve Madden, Tim Kingsbury and Mark Simpson. The performance and experience gained by this year's JV squad will ensure continued success for the Woodbridge varsity team.

The Freshman team had a very exciting first season as they learned what it takes to be a Warrior Volleyball player. Led by coach Greg Padgett, the young warriors dominated the court against league competition. One of the most exciting matches came when the girls "crushed" the Corona Del Mar Sea Kings in their own gym. Jennifer Hile and Karen Malina led the team as setters. Jennifer Weaver received Most Valuable Player, and Shaya Ghazinoor worked hard and became recognized as the Most Improved Player. With hard work and dedication, these young players may become the future Red Crushers of Woodbridge.

The success of last year's varsity team put the Woodbridge basketball program on the map. The 1987 squad's exploits included an undefeated league record which assured the schools first Pacific Coast League championship. The Warriors went on to win the CIF 2A, California Regional and California Division II state championships while compiling a 28-5 record in the process.

The unenviable task of reproducing any of these feats was made more difficult by the loss of starters Bill York, Vince Bryan and David Townsend to graduation. Coach Bill Shannon had good reason for optimism however considering the 1988 squad would see the return of letterman Chris Deibert, Derrick Odum and Rob Lee in addition to Adam Keefe, who was named the CIF 2A player of the year as a junior. This solid foundation was bolstered by the addition of JV & Soph standouts Garth Anderson, P.A. Emerson, Robb Lee, Amuir Rounaghi, David Villiaran, Jeff Neustaadt, Fred Schweer and Ryan Nash.

As the season progressed the varsity answered the challenge by compiling the second best record in the history of Irvine City basketball (23 wins and 7 losses). This was the third consecutive 20 plus win season for Shannon's Varsity squad — an impressive feat considering no other Irvine high school has yet to win 20 plus games in a season. A reap of the season's accomplishments include a fourth place finish in the tough Fountain Valley Tournament and second place finish in the 32 team Irvine World News Classic.

Undefeated Again

The J.V. Boys' Basketball team marched tnrough a 10-0 league record. Last year, as sophomores, they also went 10-0. Coach Davis coached both teams which only lost Ryan Nash to the varsity team. In return, he got sophomore Joey Cohen. Our goal was to play very aggressive man-to-man defense and to give 110% all the time. The highlight of the season was beating Laguna Hills in both our gym and theirs. LHHS had won the J.V. Saddleback tournament, we wanted to show them that we could play on their level. What is great about this team is we were always smaller than our opponent, we made up for that with hard work. All 13 guys t job. We were led offensively by Bo Ashkenazy, Joe Cohen and Mike Bauccio; defensively by Thomas Martin, Tom Shanklin anad Randy Sharp, who always had to guard a bigger player. Much of our success had to do with all the hard work our players put in over the summer and spring. As a coach you appreciate all the time the kids put in. I would also like to thank the stat people who did a great job, Noel Newhard, Jenny Brady, Michele Hall, and Liz Fontez.

This year's sophomore basketball team played steady all season. The team finished with a perfect league record of 10-0. The team was led by Tim Kingsbury, Tim Corken, Jason Ross and Mike Millat. In the future these players will be the key to Woodbridge success.

The freshman basketball team dominated opponents they faced. They finished with a 17-5 record and a league championship. The teams outstanding individuals were Ryan Chadwick, Ryan Rausch, Bryant McLemore, and Ramallos Taylor. With the leadership and excellent athletes on the team the future is very bright.

JV'S CONTROL

The junior Varsity team did very well this season. With two new coaches, and some younger girls, the Warriors still dominated the court. Led by Most Valuable Player Deanna Harry the girls were not an easy team to beat. Jeni Fertig and Cecili Hill were also key players. Coach Dean and Coach Graham taught the fundamentals of basketball to the Warriors, and it paid off. Angie Grasselli, Eileen Nizawa, and Kim Dean, played strong for the Warriors throughout the season. The team showed their opponents that the Woodbridge girls basketball team could not be easily beaten. All of the dedication and hard work paid off as the team finished with a winning record.

The boys' 1988 Varsity Volley team had another terrific season, showed that hard work and ded tion pays off! Seniors Keith Boo royd, Adam Keefe, and Jeff Sm were leaders on the court and do inated the net. Junior Craig earned the responsibility of se and led the offense. Doug Davis, Brian Hill were keys in the back and as servers. Dan Song, Jo Dewid, John Moody, Scott Seymo and Tom Shanklin were the hitt servers, and passers that comple the winning combination. The e standing coaching of Stratos, and close friendships led the team to feat schools like Laguna Beach, ison, and University. The guys ca in second at the very competi Orange County Tournament. 1988 team has clearly proven WHS that they love volleyball what it takes to be winners!

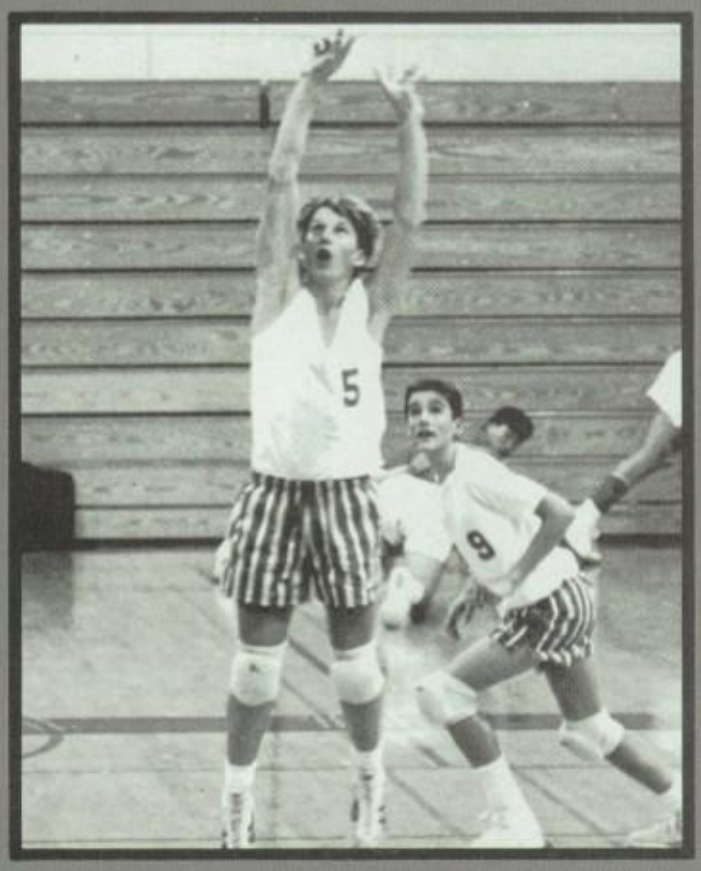
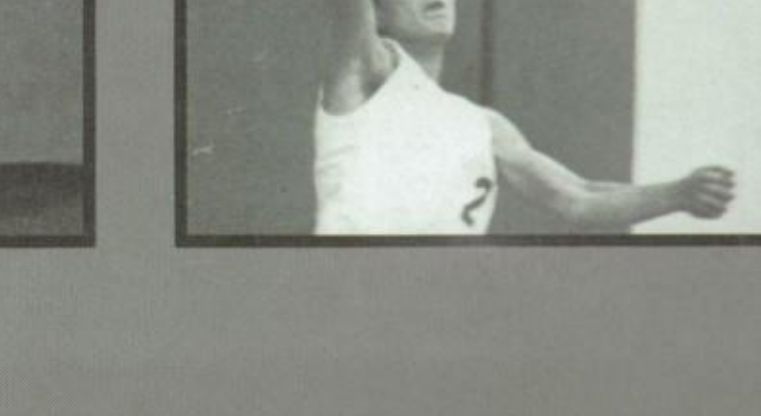
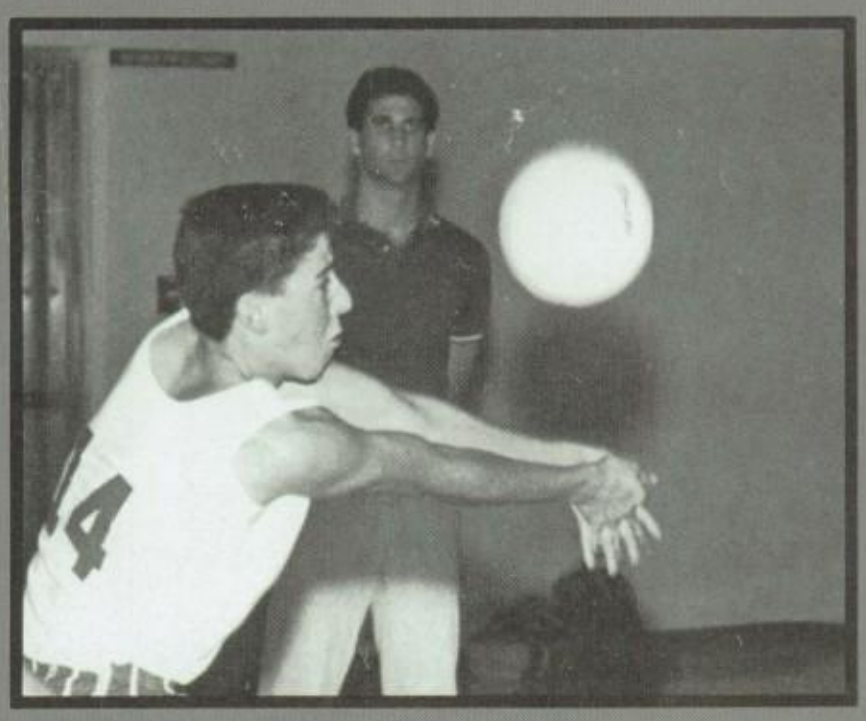
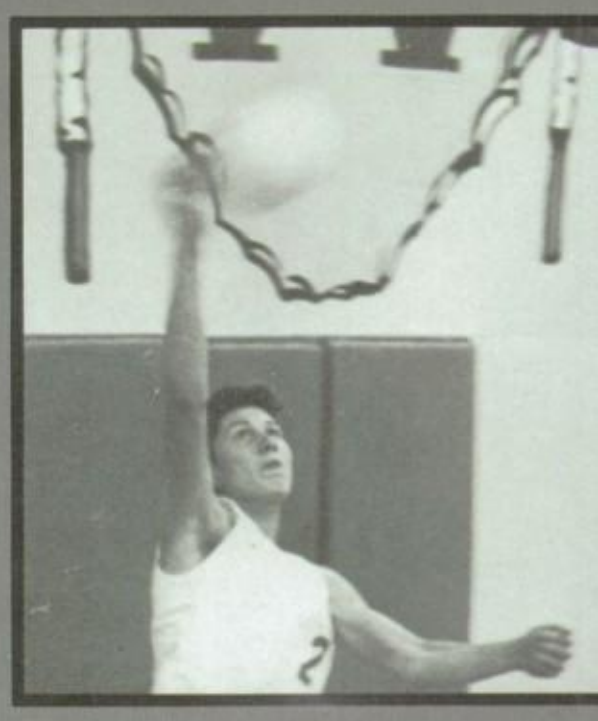
Mike Bauccio, Todd Beebe, Joey Cohen, Randy Gilbert, Steve Madden, Ryan Mattox, Jason Shepard, Darren Gonzales

A junior varsity team has the pressure of gaining enough experience to be ready to take the positions of the graduating seniors on Varsity. This year, the team had that pressure and were led by Junior Jason Shepard, and Todd Beebe, Ryan Mattox took the setting position while Mike Bauccio, Joey Cohen, and Randy Gilbert helped the team have a winning season. Darren Gonzales, and Steve Madden used their skills to make the WHS squad a hard team to beat, Coach Shannon once again took the responsibility of getting the future Varsity players ready, and he obviously did a good job! Great year guys and see you next season!









. . . "Set" the pace!

VOLLEYBALL

The Frosh-Soph team brought a lot of new talent to WHS this year. Setter Ryan Rauch led the offense and Mike Manthei connected with his sets as middle blocker. An exciting win this year was defeating Corona del Mar which is always a tough beach team. Jay Anderson, Mike Bloch, Mike Carlson, and Randy Chadwick were players that improved greatly and helped the team in many areas. Nathan Haugh, Chris Kingery, Eric Laubhan, Nick Martini, Tyler Marx, Miguel Morales, and Boris Lubarin are the members of the team that were invaluable, and helped lead the team to victory. If this year's team is any indication of what WHS will have as future volleyball players, the tradition of a winning program will continue . . .

Yes, it's another first at Woodbridge High School . . . a GOLF team ! The team emerged out of the interest of members of our golf club. With organization from Dave Cowen, Greg Cops, and coach Greg Ott, our Warrior Golfers were able to compete in Pacific Coast League competition. Along with league play the team went up against Newport Harbor, Tustin, El Toro, and Los Amigos. Our team practiced and hosted home matches at Rancho San Juaquin Golf Course. This is just another example of the successful winning tradition of Woodbridge High School's athletic program !!

Too many meetings this week?? We need $$ . . . donations! Plaquard — Anna,what are you talking abt.?! Homecoming cheerleaders — "we need boo-s!" Decorating for pep rallies were . . . an experience (to say the least). Pink balloons — WHO put that up?Bake sales — want a brownie, Kristi? A horse wedding? We're such freshmen!! Aluminum foil forever

We made it! Yet this is only the beginning. Four years might seem like forever, and we're going to make the best of all of them. Already, we have raised quite a bit of spirit and support from the class of 91'. Furthermorewe did great on our homecoming plaquard, and even managed to win C.I.F.kick-off pep rally by a remarkable fifteen points. We have also raised money for our final year at Woodbridge High. In the future, our goals include raising money and organizing our class in school activities. Never-the-less, with a successful year behind us, and the support of our entire class, these plans are virtually inevitable. I'd like to thank the Freshman Class Council for all their hard work, even when things got rough. Also, our advisor, Mrs. Perez, for her helpful support. But most of all, thanks to the freshman class. 91' you can't be outdone.

You are our catalyst for solace and joy — an inspiration to everyone who knows you. There is a natural gift within you that makes everything possible! As you step forth today, embrace enthusiastically your successes, and learn from your defeats. Know that you have grown strong, with love and understanding, and tomorrow is yours! Love forever from your parents and brother, Marco.

Jaymee —
Congratulations! You are so special and we're proud of your many accomplishments. Your quiet dedication has brought you success. The many challenges you now face will become opportunities with that same dedication. You never ask, but we'll always be there for you. Thanks for being you.

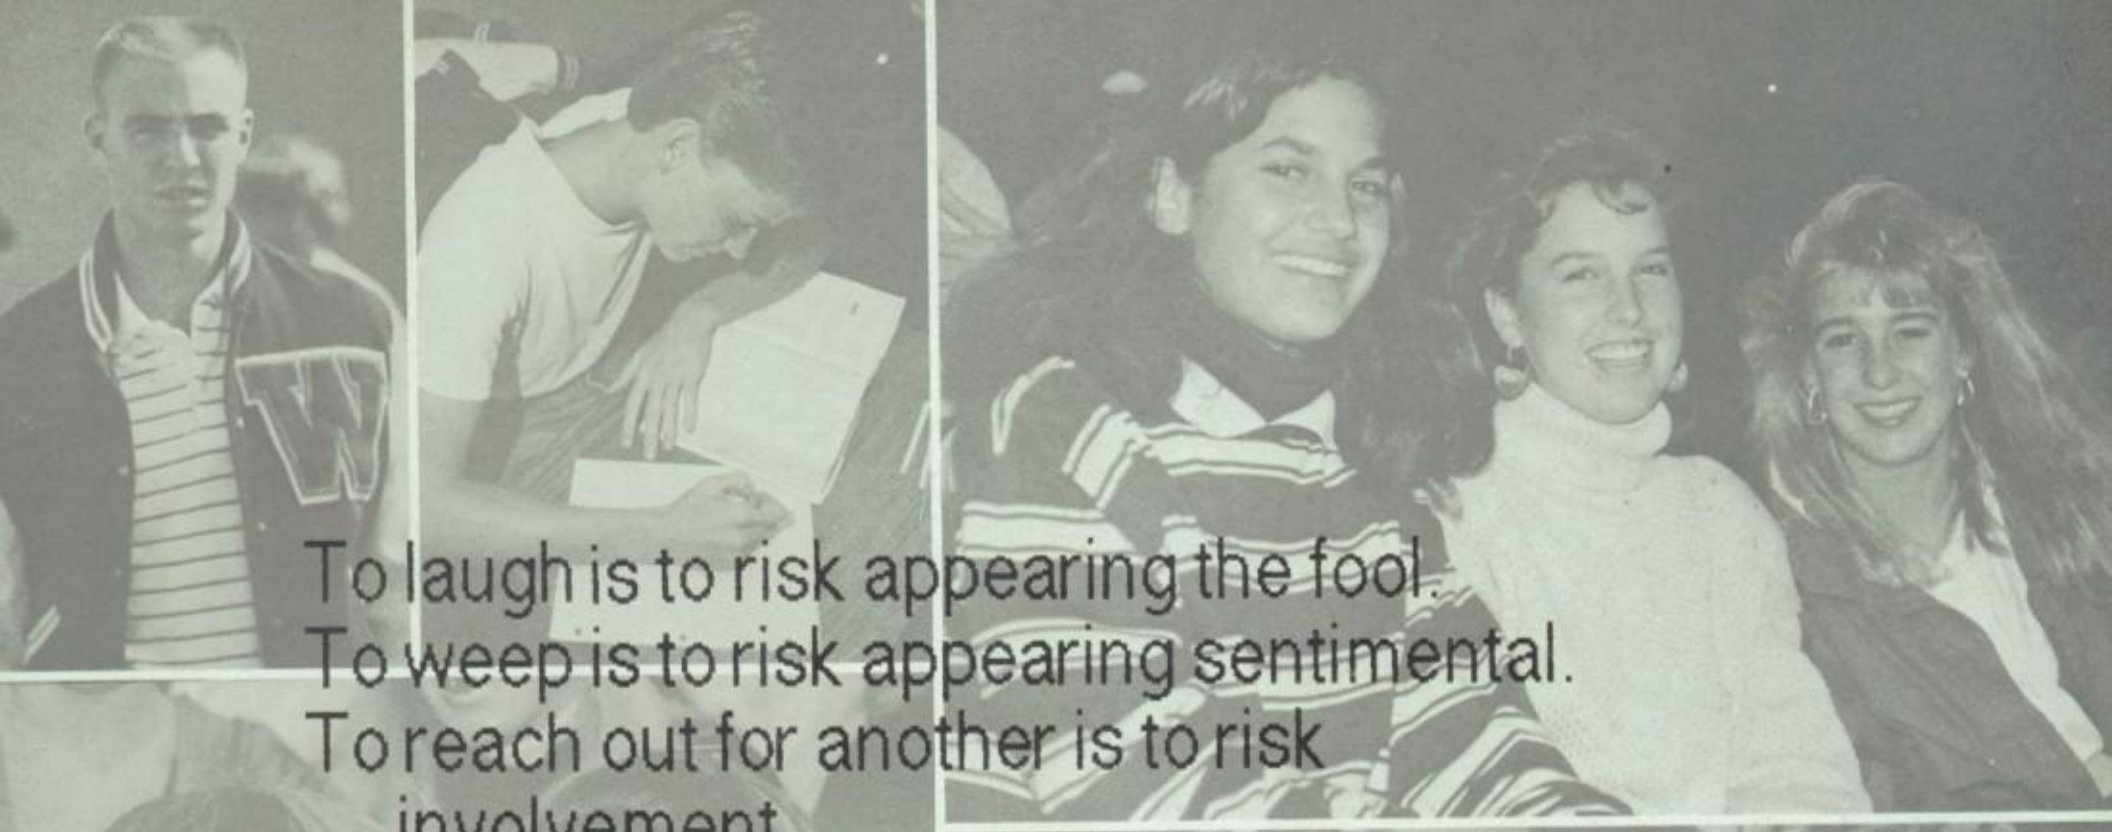
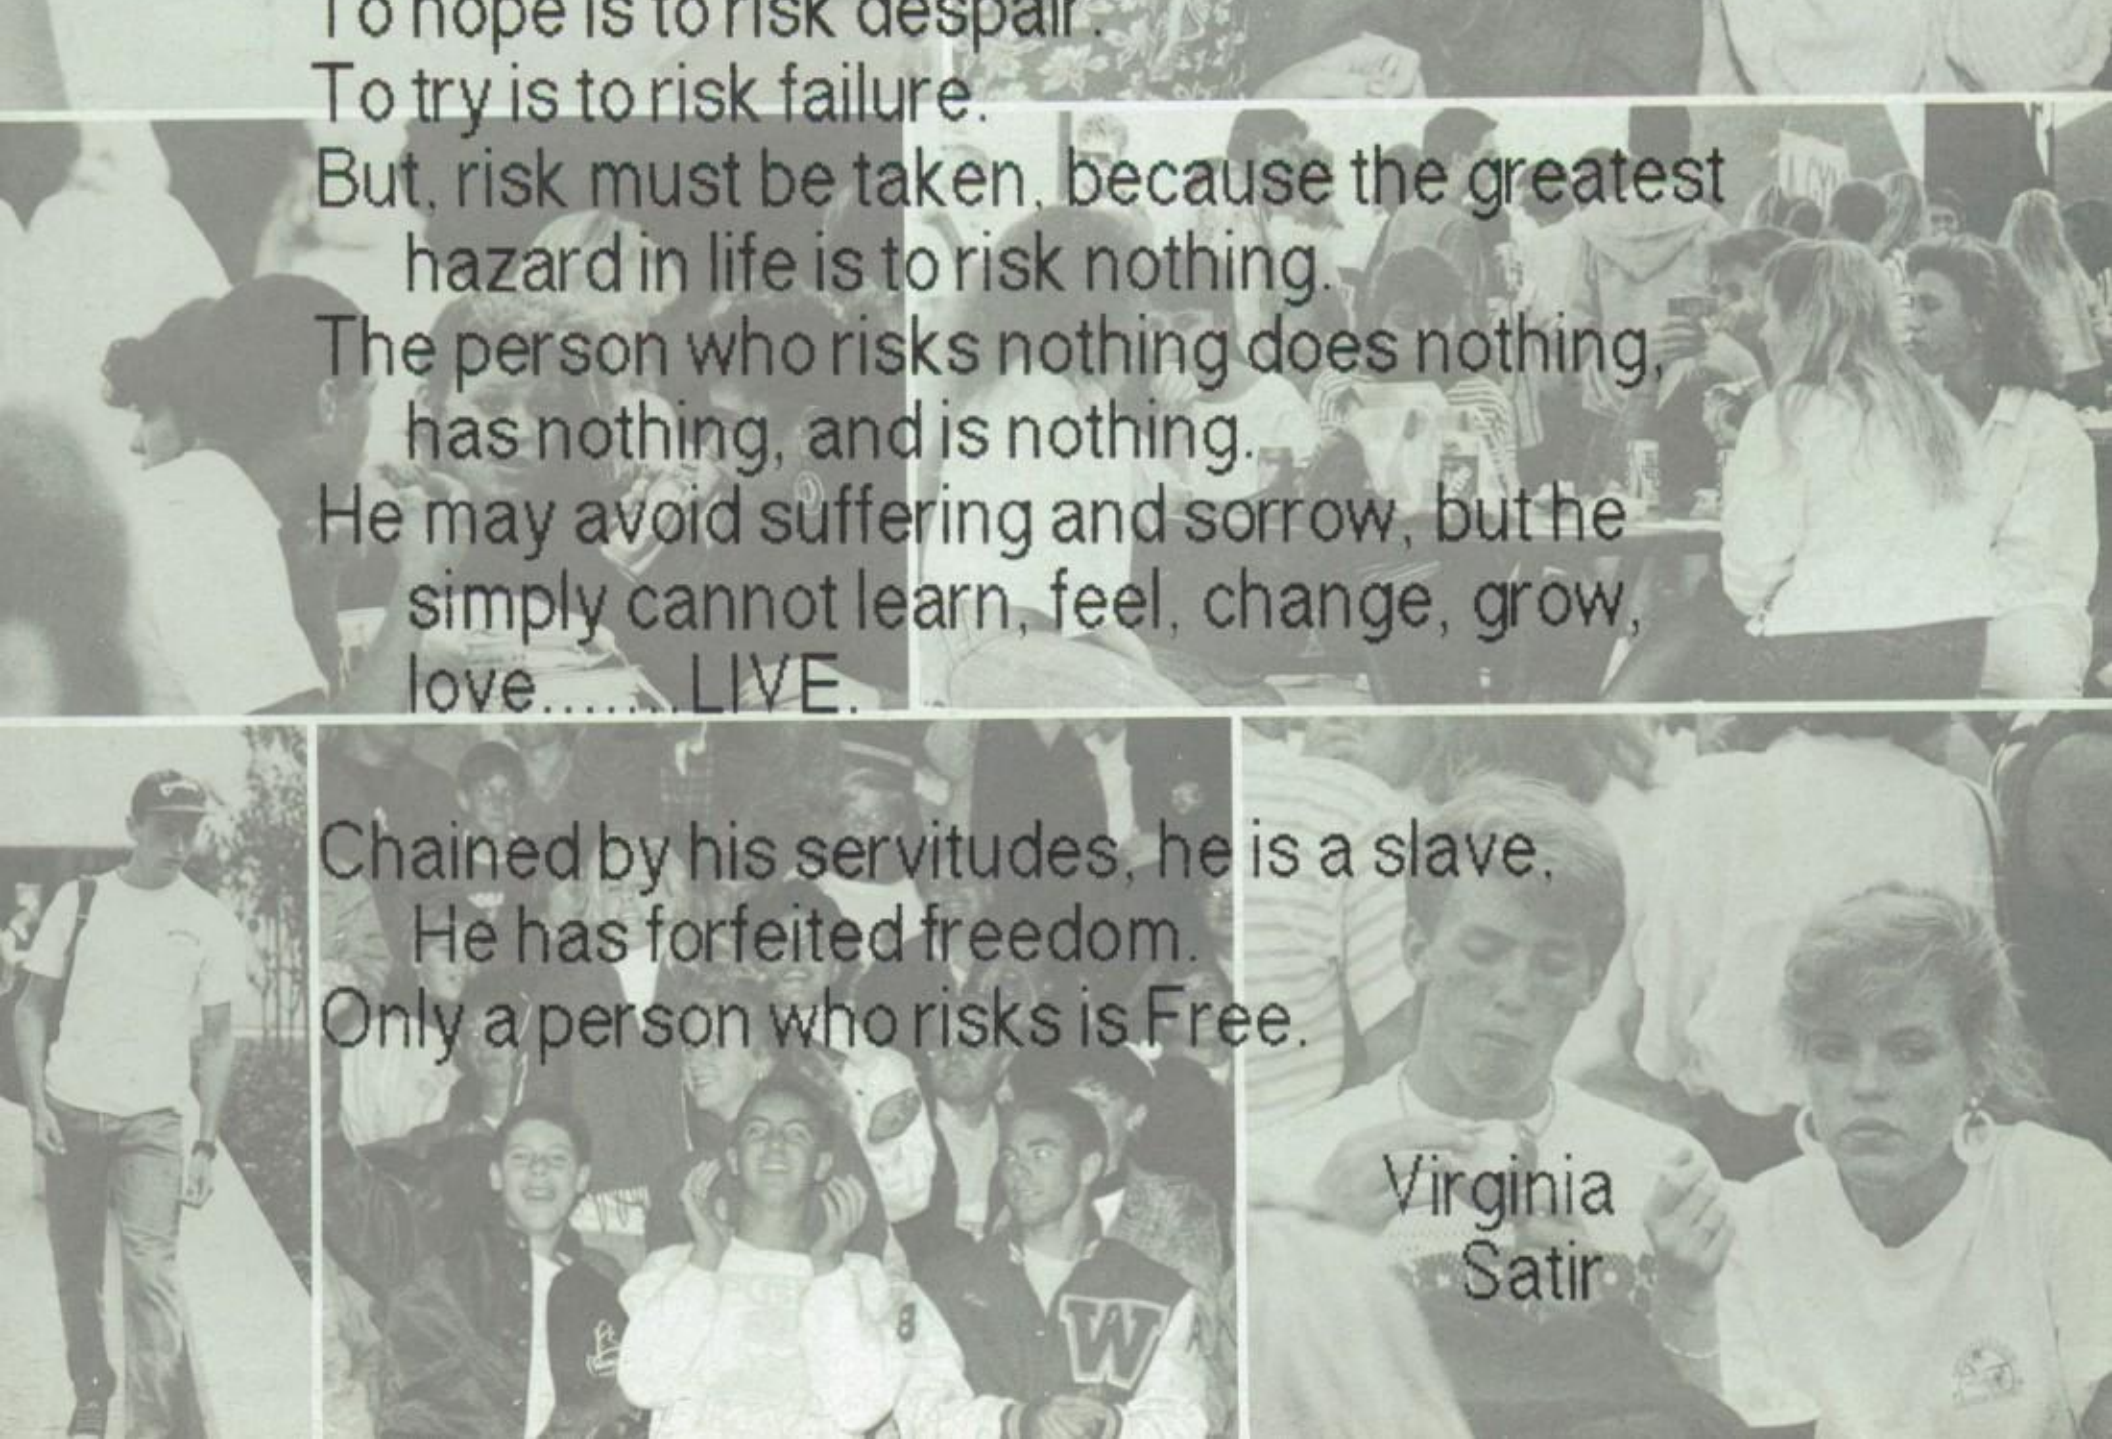
Shea

Cristin,
It has given me great pleasure to share these special years with you. You have grown into a beautiful young woman with unending spirit and a deep commitment to learning and friendship. Hold on tight to your beliefs and your memories. You can make a difference.
Congratulations and love,
Mom



To laugh is to risk appearing the fool.
To weep is to risk appearing sentimental.
To reach out for another is to risk
involvement.
To expose feelings is to risk exposing your
true self.
To place your ideas, your dreams before the
crowd is to risk their loss.
To love is to risk not being loved in return.
To live is to risk dying.
To hope is to risk despair.
To try is to risk failure.
But, risk must be taken, because the greatest
hazard in life is to risk nothing.
The person who risks nothing does nothing,
has nothing, and is nothing.
He may avoid suffering and sorrow, but he
simply cannot learn, feel, change, grow,
love.....LIVE.



Chained by his servitudes, he is a slave,
He has forfeited freedom.
Only a person who risks is Free.
